Thanks for getting back to me. [REDACTED] is what I was guessing, but both names are in our system on previous submissions as well.

Hey, Sonja. Sorry for the delay in my response. Here is the lab #: [REDACTED]. Thanks again,

Hi Tony-

Just letting you know that I received your summons for the [REDACTED] trial scheduled for August 24, 2010 and that I am available (I actually have 2 other cases in Springfield District Court that day as well). However, I do not see the drug lab number(s) listed on the summons -- would you please let me know what they are? Thanks.
